## UI Before Feedback (Screenshot / GIF)

*What trends did you identify in your feedback?*

- Better fit pictures so they don't warp, fit into box better, and sized better.
- Add more effects to albums that make them stand out more (fun visuals)
- Be more specific and descriptive to what the reset button is
  - Fix font on albums and add text to reset button to help be more clear and visually appealing
- Fix the position of reset button so its not there floating randomly

## UI After Feedback (Screenshot / GIF)

*What changes did you make to improve your UI?*

- Added dates/ background info of each album
- Position of reset button
- Fix sizing of reset button
- Add flip affect to show background info
- Sound effect for reset button
- Text saying reset button
- Fix text to fit into box sizes in any layout
